Amenity & Exotics

Name	Common Name & Description	Age/Size	Each	Per 10	Per 100	Per 1000
<i>Abies grandis</i>	Grand Fir grows to about 40-50m high and has dark green foliage with a tangerine smell when crushed or bruised.	PB3	7.00	60.00	500.00	
<i>Abies procera</i>	This evergreen 'Noble Fir' has stiff branches with blue-green 25mm needles and grows to about 30m.	PB3	7.00	60.00	500.00	
<i>Acer ginnala</i>	Amur Maple - Orange to Red autumn colour.	PB3	7.00	60.00		
<i>Acer monspessulanum</i>	Also known as Acer montpellier this maple grows to about 6-10m and has small leathery dark green leaves that turn yellow.	PB3	7.00	60.00		
<i>Acer palmatum</i>	Purple Japanese Maple - Small tree with brilliant autumn colour.	PB3	7.00	60.00	500.00	
<i>Acer platanoides</i>	Norway Maple - Large, strong growing deciduous tree with wide crown. Butter yellow to red/bronze autumn colour. 9 x 6m	PB8	12.00			
		PB18	24.00	190.00		
		30L	75.00	700.00		
<i>Acer pseudoplatanus</i>	Sycamore - Hardy, vigorous deciduous tree. Withstands exposed sites and most soils.	PB8	12.00	110.00		
<i>Acer rubrum</i>	Canadian Maple - Large attractive tree with red autumn colour.	PB5	8.00	70.00		
		30L	75.00	700.00		
<i>Acer sacharrum</i>	Sugar Maple - Large, fast growing, deciduous tree with attractive autumn colour.	PB12	17.00	140.00		
<i>Aesculus hippocastanum</i>	Horse Chestnut - Magnificent, large, flowering tree which produces chestnuts 'conkers'.	30L	75.00			
<i>Aesculus indica</i>	Indian Horse Chestnut - A tall tree to about 30m x 12m and has attractive flower spikes that look like a bottlebrush.	PB8	12.00			
<i>Amelanchier canadensis</i>	Shade Bush - Shrub or small tree with bronze young foliage, brilliant autumn colour and masses of white flowers in the spring. Hardy.	PB18	24.00	190.00		
		PB40	75.00	700.00		
<i>Arbutus unedo</i>	Strawberry Tree - Large shrub or small tree with strawberry like fruits. Withstands difficult conditions.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00	500.00	
<i>Betula albosinensis</i>	Chinese Red Birch - Known for its orange bark on older trees this birch can reach upwards of 20m	SS V150 1yr	3.90	28.00	230.00	190.00
<i>Betula papyrifera</i>	Paper Birch - Medium deciduous tree with smooth papery bark. Yellow autumn colour.	1/1 2yr	7.00	60.00	500.00	
		PB5	8.00	70.00		
		PB18	24.00	190.00		
		PB28	28.00			
<i>Betula pendula</i>	Silver Birch - Medium deciduous tree with mottled grey/silver bark. Yellow autumn colour. Hardy.	1/1 2yr	7.00	60.00	500.00	
		PB5	8.00	70.00		
		PB18	24.00	190.00		
<i>Betula plataphylla</i>	Manchurian Birch - Large deciduous tree with white bark. Good autumn colour.	PB3	7.00	60.00		
<i>Buxus sempervirens</i>	Box (hedging) - Popular for clipped hedging and for topiary.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		
<i>Buxus sempervirens variegatum</i>	Variegated box hedge - Variegated form of box hedging.	PB3	7.00	60.00	500.00	
<i>Ceanothus 'Emily Brown'</i>	Hardy round-shaped shrub with masses of blue, summer flowers.	PB3	7.00	60.00		
<i>Ceanothus roweanus 'Purpureum'</i>	Purple leaved Ceanothus - Small shrub with dark, glossy leaves. Flowers blue - late winter.	PB3	7.00	60.00		
<i>Chamaecyparis lawsoniana 'Stewartii'</i>	Stewartii - Golden, ornamental form of Lawson Cypress.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		

Amenity & Exotics

<i>Chamaecyparis thyoides juvenalis stricta</i>	This soft plummy, blue conifer is a small slender conical dwarf that will broaden with age, younger foliage can be light green but will blue up with outside exposure. Grows to about 1.25 x .75m	1 Litre Tube	5.00	45.00	400.00	
		PB8	12.00	110.00		
<i>Choisya ternata</i>	Mexican Orange Blossom - Medium sized shrub of rounded shape. White, sweet-smelling flowers.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00			
<i>Coleonema pulchrum</i>	With sweet smelling pink flowers from winter to spring and growing to a height of about 1m this is a popular choice for hedging.	PB5	8.00	70.00	600.00	
<i>Coleonema 'Sunset Gold'</i>	With its golden-yellow foliage, pink flowers in spring and its extreme versatility and hardiness this is an excellent ground cover option. Grows about 60cm high and spreads to about 1.2m	PB5	8.00	70.00	600.00	
<i>Cupressus arizonica var. Blue Ice</i>	Blue Ice - Very blue form of Cup. arizonica retaining the hardiness of the species.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00	600.00	
<i>Cupressus macrocarpa aurea</i>	Gold version of macrocarpa that is also fast growing, hardy timber tree tolerant of a wide range of conditions.	PB5	8.00			
<i>Cupressus sempervirens 'Totem'</i>	Another narrow Cypress that is dark green in colour and reaches about 3m in height, very similar to 'Swane's Gold' 2 x .45m	PB5	8.00	70.00		
<i>Cupressus 'Swane's Gold'</i>	This conifer grows narrowly erect with compact golden foliage. Very well known and popular. 2 x .5m	PB5	8.00	70.00		
<i>Elaeagnus pungens aurea</i>	Variegated Russian Olive - Hardy, small bush with unusual colour. Can be trimmed into a tidy hedge.	PB3	7.00	60.00		
<i>Euonymus fortunei gold</i>	Hardy shrub with deep green leaves that have a yellow variegation. A good ground or wall cover option. 1.5 x 1.5m	1 Litre Tube	5.00	45.00	400.00	
<i>Fagus sylvatica</i>	English Beech - Large deciduous tree. Beautiful specimen or attractive hedging.	PB5	8.00	70.00		
		PB8	12.00	110.00		
		PB28	28.00	240.00		
<i>Fagus sylvatica purpureum</i>	Copper Beech - Similar to Fagus sylvatica but with beautiful, dark and variable purple foliage. 10 x 6m	PB5	8.00	70.00		
<i>Fraxinus americana</i>	White Ash - Large deciduous tree suitable as specimen. Hardwood.	PB5	8.00	70.00		
		PB8	12.00			
		30L	75.00			
<i>Fraxinus excelsior</i>	European Ash - Large deciduous hardwood tree. Attractive specimen and good shade tree.	PB8	12.00			
		PB12	17.00			
		30L	75.00	700.00		
<i>Fraxinus excelsior aurea</i>	Golden Ash - Specimen tree. Branch tips with golden colour. 6 x 5m	PB12	17.00	140.00		
		30L	75.00			
<i>Ginkgo biloba</i>	Maidenhair Tree. Tall hardy tree with bright yellow autumn foliage. 10-25m	PB18	24.00	190.00		
<i>Laurus nobilis</i>	Also known as Bay Laurel this 5-10m tree has dark green leaves that have a pleasant fragrance when crushed and can be used in cooking. Good for shelter as it becomes quite dense.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Liquidambar styraciflua</i>	Sweet Gum - Large deciduous tree with beautiful autumn colour. Not suited to exposed sites.	PB8	12.00	110.00		
		9 Litre Pot	17.00	140.00		

Amenity & Exotics

<i>Lonicera nitida</i>	Known as Box Honeysuckle this shrub is a low grower that reaches about 3 x 3m. It is very adaptable in most locations.	1 Litre Tube	5.00	45.00	400.00	
<i>Metasequoia glyptostroboides</i>	Dawn Redwood - Beautiful deciduous conifer with rust coloured autumn foliage.	PB18	24.00	190.00		
		30L	75.00			
<i>Nandina 'Gulf Stream'</i>	Nice small shrub with brilliant red winter foliage that intensifies as it gets cooler. Fresh green/bronze new growth in summer gives the plant a revived look. 75cm tall	PB5	8.00	70.00		
<i>Phebalium squameum</i>	Satinwood - Large narrow shrub for hedging and shelter. Useful by the coast not very frost hardy.	1 Litre Tube	5.00	45.00		
		PB5	8.00	70.00		
<i>Photinia robusta 'Red Robin'</i>	Red Robin - Large, hardy shrub or small tree with dark red young growth. Good hedging.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
		PB8	12.00	110.00		
<i>Platanus acerifolia</i>	London Plane - Large, deciduous specimen tree with attractive flaky bark. Hardy.	PB12	17.00	140.00		
		30L	75.00	700.00		
<i>Prunus avium</i>		PB8	12.00	110.00		
<i>Prunus lusitanica</i>	Portuguese Laurel - Very hardy large shrub to 6m. Glossy foliage. Suitable for hedging and low shelter.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		
		PB8	12.00	110.00		
		PB18	24.00	190.00		
<i>Quercus cerris</i>	Turkey Oak - Large deciduous tree withstanding dryer conditions.	PB5	8.00	700.00		
		PB8	12.00	110.00		
<i>Quercus coccinea</i>	Scarlet Oak - Beautiful scarlet autumn foliage.	PB5	8.00	70.00		
<i>Quercus palustris</i>	Pin Oak - Large tree requiring moist site to grow its best. Good autumn colour. Note: The PB40 grade are large, sturdy trees, 3m high.	PB5	8.00	70.00		
		PB8	12.00	110.00		
		PB12	17.00	140.00		
<i>Quercus robur</i>	Common Oak - Large specimen tree often planted for commemoration or special occasions. Hardy.	PB5	8.00	70.00		
		PB8	12.00	110.00		
		PB12	17.00	140.00		
		PB18	24.00	190.00		
<i>Quercus rubra</i>	Red Oak - Larger leaf and very red autumn colour.	PB8	12.00	110.00		
		PB12	17.00	140.00		
<i>Rosemary officinalis</i>	This of course is the herb Rosemary used in cooking for its strong fragrance and taste. It also produces attractive blue-purple flowers.	PB5	8.00	70.00		
<i>Rosemary 'Lockwood de Forest'</i>	Another variety of Rosemary however this plant droops and is a very good ground cover option especially when flowering.	1 Litre Tube	5.00	45.00		
<i>Sequoiadendron giganteum</i>	Hardy, very large tree with tapered trunk. Good shelter performing well on gravels. Excellent specimen tree.	V150	3.90	28.00	230.00	1900.00
		PB8	12.00	110.00		
		PB18	24.00			
		PB28	28.00			
		20L Bag	28.00	240.00		
<i>Sorbus aria</i>	Whitebeam - This is a compact round headed tree with greyish leaves when young that soon develop into a green colour. Grows to about 5 x 4m	PB3	7.00	60.00	500.00	

Amenity & Exotics

		PB12	17.00	140.00		
<i>Taxodium distichum</i>	Swamp Cypress - Large deciduous conifer suited to wet conditions. Russet autumn colour. Special priced 1/1	9L Pot	17.00			
		PB18	24.00	190.00		
<i>Taxus baccata fastigata aurea</i>	Yew. A good hedging option with yellow-green foliage and bright red berries. 3 x .6m	PB3	6.50	54.00		
<i>Teucrium fruticans</i>	Shrubby Germander - Hardy shrub to 2m. Good bee fodder. Grey foliage and blue flowers - good for clipping. Ready in spring.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Thuja 'Rheingold'</i>	Great dwarf conifer reaching about 75cm x 1m with bright green to yellow foliage. Tolerant of most sites.	PB3	7.00	60.00		
<i>Thuja plicata</i>	Old Gold - Ornamental form. Gold colouring and vigorous.	V150	3.90	28.00	230.00	1900.00
		PB5	8.00	70.00		
		PB8	12.00	110.00		
<i>Tilia cordata</i>		PB18	24.00	190.00		
<i>Tsuga heterophylla</i>	Western Hemlock - Large graceful conifer. Shade tolerant and hardy.	PB8	12.00	110.00		
		PB18	24.00	190.00		
		30L	75.00			
<i>Viburnum opulus sterile</i>	This Viburnum is known for its great flower display in spring as well as its maple-like deep green leaves which improve in the cooler months. 3 x 2m	PB3	7.00	60.00		
<i>Viburnum tinus</i>	Laurustinus - Hardy shrub to 3m. Tolerates wide range of conditions. Masses of white flowers. Good low shelter and for clipping into a neat hedge	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Viburnum tinus 'Eve Price'</i>	Very hardy dense evergreen that is a good option for shelter or hedging. White flowers from late autumn to early spring followed by blue berries lasting through summer. 2 x 1.5m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Viburnum tinus variegatum</i>	Hardy dense evergreen shrub with yellow variegations. White flowers in late autumn to early spring followed by blue berries through summer. 2x1.5m	1 Litre Tube	5.00	45.00		

Forestry & Shelter

Name	Common Name & Description	Age/Size	Each	Per 10	Per 100	Per 1000
Acacia dealbata	Silver Wattle - Small tree up to 12 metres. Excellent shelter belt and firewood tree. Hardy.	SS V150 1yr	3.90	28.00	230.00	
Alnus cordata	Italian Alder - Handsome, fast growing deciduous tree. Suitable for dry or moist soils. Glossy, dark green leaves.	Plugs	2.50	20.00	150.00	
		SS V150 1yr	3.90	28.00	230.00	
		1 Litre Tube	5.00	45.00	400.00	
		1/1 2yr	7.00	60.00	500.00	
		PB5	8.00	70.00	600.00	
Alnus glutinosa	Common Alder - Quick growing, deciduous and tolerant of a wide range of sites. Particularly suitable for wet sites and withstands colder conditions.	1/1 2yr	7.00	60.00	500.00	
Alnus jorullensis	Mexican Alder - This alder is evergreen/semi evergreen and grows to approximately 20-25m	SS V150 1yr	3.90	28.00	230.00	
Alnus rubra	Red Alder - Medium sized, fast growing deciduous tree. Long, elegant catkins in spring. Deciduous. 9 x 6m	1/1 2yr	7.00	60.00	500.00	
		PB5	8.00	70.00		
Cedrus atlantica	Atlas Cedar - Large conifer, suitable for specimen or for shelter. Very hardy.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00			
Cedrus deodara	Himalayan Cedar - Large conifer suitable for specimen or shelter.	20L	28.00	240.00		
		PB28	28.00			
Chamaecytisus palmensis	Tree Lucerne - Vigorous shrub. Stock fodder, masses of white flowers attracting native birds and bees. Foliage attracts wood pigeons. Damaged by hard frosts. Not available until spring.	SS V150 1yr	3.90	28.00	230.00	
Cupressocyparis leylandii - Ferndown	Leyland Cypress - Fast shelter tree noted for smaller branching habit. Proposed as a possible timber tree. Don't forget that all the Leylands have no viable seed!	1 Litre Tube	5.10	46.00	400.00	3600.00
		PB18	24.00			
Cupressocyparis leylandii - Haggerston Grey	Hardy shelter tree, very suitable in colder areas.	1 Litre Tube	5.10	46.00	400.00	3600.00
		PB5	8.00	70.00		
		PB8	12.00	110.00		
Cupressocyparis leylandii - Leighton Green	Most popular shelter tree. Vigorous growing for fast shelter. Don't forget all Leylands have no viable seed!	1 Litre Tube	5.10	46.00	400.00	3600.00
Cupressocyparis leylandii - Naylor's Blue	Good shelter tree able to tolerate coastal conditions. Tidy form.	1 Litre Tube	5.10	46.00	400.00	3600.00
Cupressocyparis leylandii - Ovensii	Fast growing shelter tree - also suitable for timber.	1 Litre Tube	5.10	46.00	400.00	3600.00
		PB5	8.00	70.00	600.00	
Cupressocyparis leylandii - Robinsons Gold	Hardy shelter tree with gold colour.	1 Litre Tube	5.10	46.00	400.00	3600.00
		PB8	12.00	110.00		
Cupressocyparis leylandii - X850-329	Attractive shelter tree of different clone. More of a weeping habit. Bluish in colour.	1 Litre Tube	5.10	46.00	400.00	3600.00
		PB5	8.00	70.00		
		PB8	12.00	110.00		
Cupressus arizonica	Arizona Cypress - Hardy conifer suitable for shelter. Withstands dry conditions. Good hedging.	SS V150 1yr	3.90	28.00	230.00	1900.00
Cupressus arizonica "Blue Ice"	Blue Ice - Very blue form of Arizona. Attractive free standing or as hedge	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Cupressus macrocarpa	Monterey Cypress - Fast growing, hardy timber tree tolerant of a wide range of conditions. Southland seed source.	SS V150 1yr	3.90	28.00	230.00	1900.00
Cupressus torulosa	Bhutan Cypress - Graceful, medium sized conifer. Useful for shelter. Hardy.	PB3	7.00	60.00	500.00	
Eucalyptus cordata	Silver Gum - Vigorous. Medium size. Coastal.	SS V150 1yr	3.90	28.00	230.00	1900.00
Eucalyptus nitens	Shining Gum - Large, fast growing tree. Useful for shelter and firewood crops.	SS V150 1yr	3.90	28.00	230.00	1900.00
Larix decidua	European Larch - Large, hardy deciduous conifer. Golden autumn colour.	SS V150 1yr	3.90	28.00	230.00	

Forestry & Shelter

		PB8	8.00			
Picea abies	Norway Spruce - Hardy, erect conifer for cold moist sites.	SS V150 1yr	3.90	28.00	230.00	
		PB5	8.00	70.00		
Picea sitchensis	Sitka Spruce - Large and fast growing, tolerates moist sites - not suitable for lowland planting.	PB5	8.00	70.00		
Pinus mugo	Mountain Pine - Small, bushy tree. Hardy. Suitable for low shelter and as an ornamental.	SS V150 1yr	3.90	28.00	230.00	
Pinus nigra	Corsican Pine - Hardy timber tree tolerating light, dry soils. Also useful as a shelter tree.	SS V150 1yr	1.30	11.00	80.00	700.00
		SS V150 2yr	1.50	13.00	90.00	750.00
Pinus pinea	Stone pine - Very hardy, medium sized tree. Edible seeds (Pine Nuts).	SS V150 1yr	3.90	28.00	230.00	
		PB5	8.00	70.00		
Pinus radiata	Radiata Pine - New Zealand's most important production forest tree. We will quote on large orders.	1/0 GF17		6.00	45.00	250.00
		SS V150 1yr GF19	1.30	11.00	80.00	700.00
		0/1				
Pinus sylvestris	Scots Pine - Pine tree with a nice round crown. Bluish foliage.	SS V150 1yr	3.90	28.00	230.00	
Populus argyle	Argyle Poplar - Sturdy tree with open crown. Hardy.	0/1 1yr	3.70	30.00	230.00	
Populus crowsnest	Crowsnest Poplar - Narrow crown similar to Lombardy Poplar	0/1 1yr	3.70	30.00	230.00	1700.00
Populus eridano	Eridano Poplar - Fast growing with large leaves.	0/1 1yr	3.70	30.00	230.00	
Populus flevo	Flevo Poplar - Vigorous poplar with wide crown.	0/1 1yr	3.70	30.00	230.00	1700.00
Populus I214	I214 - Italian hybrid poplar. Good form tree - prefers good sites.	0/1 1yr	3.70	30.00	230.00	
Populus lombardy	Lombardy Poplar - Popular, well-known Lombardy poplar. Rust prone in some areas.	0/1 1yr	3.70	30.00	230.00	
Populus tasman	Tasman Poplar - Narrow crowned tree. Requires moist soils but is hardy	0/1 1yr	3.70	30.00	230.00	1700.00
Populus trichocarpa	Trichocarpa Poplar - One of the Balsam poplars. Attractive and shapely. Not preferred by possums	0/1 1yr	3.70	30.00	230.00	
Populus veronese	Veronese Poplar - Hardy tree with good wind tolerance	0/1 1yr	3.70	30.00	230.00	1700.00
Pseudotsuga menziesii	Douglas Fir - Large conifer for timber or shelter. Prefers moist soils and cold winters. We will quote on large orders.	2/0 2yr		15.00	90.00	450.00
Robinia pseudoacacia	Shipmast Robinia - Quality provenance (Krijgsman). We are not selling these; it is a one-off assistance for New Zealand Spinal Trust who grows them as a fundraising project. Contact Andrew Hall 03 383 6881	0.5m				
		0.5m-1.0m

Salix matsudana 1040	Tangaio - Matsudana willow. Narrow and upright. Suitable for wetter conditions.	0/1 1yr	3.70	30.00	230.00	
Salix matsudana 1184	Moutere - Matsudana willow. Narrow and upright, bred for horticulture shelter. Tolerates wet sites.	0/1 1yr	3.70	30.00	230.00	
Sequoia sempervirens	Californian Redwood - Large stately tree preferring moist sites. Timber potential.	SS V150 2yr	4.00	30.00	250.00	
Sequoiadendron giganteum	Wellingtonia - Hardy, very large tree with tapered trunk. Good shelter performing well on gravels. Excellent specimen tree.	SS V150 1yr	3.90	28.00	230.00	1900.00
		PB8	12.00	110.00		
		PB18	24.00			
		PB28	28.00			
		20L	28.00	240.00		
Thuja plicata	Western Red Cedar - Excellent shelter tree. Suitable for wetter and cooler sites. Also good timber potential.	SS V150 1yr	3.90	28.00	230.00	
		PB5	8.00	70.00		
		PB8	12.00	110.00		

Forestry & Shelter

<i>Tsuga heterophylla</i>	Western Hemlock - Large graceful tree. Shade tolerant and prefers moist conditions.	PB8	11.50	100.00		
		PB18	24.00	190.00		
		30L	75.00			

Natives

Name	Common Name & Description	Age/Size	Each	Per 10	Per 100	Per 1000
<i>Acaena inermis</i>	A small groundcover with soft grey-blue leaves. Small flowers grow above the foliage between December & February.	1L	5.00	45.00	400.00	
<i>Aristotelia serrata</i>	Wineberry - Mako Mako - Erect small tree with berries useful for attracting native birds. Deciduous in cold climates.	PB5	8.00	70.00		
<i>Arthropodium candidum</i>	The native has narrow leaves and offers small white flowers above the foliage from late spring to summer. Deciduous.	1 Litre Tube	5.00	45.00		
<i>Arthropodium cirratum</i>	This garden lily is a very adaptable and appealing plant that grows to about 1m high with very beautiful starry flowers. This has proven to be quite appealing in large numbers.	1 Litre Tube	5.00	45.00	400.00	
<i>Astelia chathamica</i>	This Chatham Island native has broad flax-like leaves that have a silver metallic appearance. A very stunning plant to look at and can grow upwards of 2 metres tall, favours rich soil but will grow in drier conditions.	1 Litre Tube	5.00	45.00	400.00	
		2 Litre Pot	8.00	70.00	600.00	
<i>Astelia fragrans</i>	Common throughout New Zealand this <i>Astelia</i> variety also has a silvery metallic look but the ribs are often reddish. Good for an empty spot in the garden or landscape and will prosper in both sun and shade.	1 Litre Tube	5.00	45.00	400.00	
		2 Litre Pot	8.00	70.00	600.00	
<i>Astelia nervosa</i>	An <i>Astelia</i> with varying leaf size and colour; reddish tones through green to silver are possible. The height also varies from 80cm to 2m.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00	600.00	
<i>Brachyglottis greyi</i>	Renamed <i>Brachyglottis</i> from <i>Senecio</i> . Low shrub with grey foliage and bright yellow flowers all summer.	1 Litre Tube	5.00	45.00		
<i>Carpodetus serrata</i>	This 5m native has smooth greyish white bark and marble like foliage. Juveniles have smaller, rounded serrated leaves. Adult leaves are oval in shape with a less serrated edge. There are also tiny white flower appear during summer.	1 Litre Tube	5.00	45.00		
		PB3	7.00	60.00		
<i>Coprosma acerosa 'Hawera'</i>	This <i>Coprosma</i> has narrow olive-green leaves and mats close to the ground, can tolerate cold and windy conditions. .5 x 1.5m	1 Litre Tube	5.00	45.00		
		PB3	7.00	60.00		
<i>Coprosma Beatsons Gold'</i>	This shrub grows to about 1.5m in height and has appealing yellow-green variegated leaves.	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma 'Black Cloud'</i>	Good ground cover option with shiny dark leaves. Its quick bushy and dense. 30cm x 1m	1 Litre Tube	5.00	45.00		
<i>Coprosma kirkii</i>	Kirk's Groundcover - Hardy groundcover for bank stabilisation.	1 Litre Tube	5.00	45.00	400.00	

Natives

<i>Coprosma kirkii variegata</i>	This is a ground cover Coprosma that grows to about 30-50cm in height and about 1.5m across. The leaf is small and narrow and is a glossy olive green colour and a creamy margin.	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma 'Lobster'</i>	This Coprosma forms a small divaricating bush with reddish-bronze foliage. Tolerates a wide range of sites and grows to about 1-2m	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma parviflora</i>	A common shrub in the wild this Coprosma branches often to give a tangled effect. Flowers are very small and the fruit can vary in colour from transparent white to yellowish-white, red or dark purple. 3 x 1m	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma propinqua</i>	Growing to around 1 to 2 metres this Coprosma spreads widely and has small rectangular leaves with berries that are blue and slightly transparent.	SS V150 1yr	3.90	28.00	230.00	
		1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma 'Red Rocks'</i>	This Coprosma has narrow dark reddish brown leaves and mats close to the ground, can tolerate cold and windy conditions. 40cm x 1m	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma robusta</i>	Karamu - Hardy shrub with glossy leaves and orange berries. Food for native birds.	1 Litre Tube	5.00	45.00		
<i>Coprosma Roy's Red</i>	Another bushy Coprosma with tiny bronze/red leaves that intensify in the cooler months. Can be easily shaped to form a nice bush. 1m x 1m	1 Litre Tube	5.00	45.00		
<i>Coprosma rugosa</i>	An erect Coprosma with reddish bark and small narrow leaves. Grows up to 3m tall and berries are ripe around April and May	1 Litre Tube	5.00	45.00	400.00	
<i>Coprosma rugosa 'Midnight'</i>	This Coprosma has reddish bark with dark narrow foliage to make for a good contrast plant. Grows into a tangled bush. .5 x 1m	1 Litre Tube	5.00	45.00		
<i>Cordyline australis</i>	Cabbage Tree - Titouka - Hardy tree with many uses including form plantings. Large flower heads very fragrant. Largest member of Lily family.	SS V150 1yr	3.90	28.00	230.00	
		1 Litre Tube	5.00	45.00	400.00	3500.00
<i>Cordyline australis 'Purpurea'</i>	Similar in most respects to your normal cabbage tree however will not grow quite as tall and has purplish bronze foliage. 5m	1 Litre Tube	5.00	45.00	400.00	
<i>Corokia 'Bronze'</i>	Has light to dark bronzy leaves and yellow star-shaped follows in summer. Grows to about 2 x 1.2m	1 Litre Tube	5.00	45.00	400.00	
<i>Corokia 'Bronze King'</i>	Has light to dark bronzy leaves and yellow star-shaped follows in summer. Grows to about 2 x 1.2m. The leaves are smaller then 'Frosted Chocolate' and 'Bronze'	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Corokia 'Frosted Chocolate'</i>	Has light to dark chocolate brown leaves and grows to about 2 x 1.2m.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		

Natives

<i>Corokia 'Red Wonder'</i>	This variety displays well and has bright red berries. 1.5 x 1m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Corokia 'Yellow Wonder'</i>	This variety displays well and has bright yellow berries. 1.5 x 1m	1 Litre Tube	5.00	45.00	400.00	
<i>Corokia 'Sunsplash'</i>	A well branched native with narrow green leaves with creamy edges. Grows to about 1.5m in height and really stands out	PB5	8.00	70.00		
<i>Dacrycarpus dacrydoides</i>	Kahikatea - New Zealand's tallest native tree. Usually found on moist sites.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		
<i>Dacrydium cupressinum</i>	Rimu - Large forest tree, but slow growing. Attractive as specimen tree.	1 Litre Tube	5.00	45.00	400.00	
		PB8	12.00	110.00		
<i>Dodonaea viscosa</i>	Ake Ake - Large coastal shrub to 3m. Can be clipped as a hedge	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
		PB12	17.00			
<i>Dodonaea viscosa 'Purpurea'</i>	Purple Ake Ake - Purple leaved form of Ake Ake and more hardy.	SS V150 1yr	3.90	28.00	230.00	
		1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
		PB12	17.00	140.00		
<i>Griselinia littoralis</i>	Broadleaf - Large shrub/small tree with glossy green foliage. Very adaptable. Often used as a hedge.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		
		PB5	8.00	70.00		
		PB18	24.00	190.00		
<i>Griselinia littoralis 'Variegata'</i>	Quite an appealing shrub with its deep green oval shaped leaves with yellow margins. Grows to about 3-10m and is quite dense making it a good candidate for shelter.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Hebe albicans</i>	This Hebe is a 45-60cm shrub with bluish green leaves and white flowers with purple antlers.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe albicans 'Red Edge'</i>	Same as H. albicans however the leaves take on a bright red edging to them in drier conditions.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe 'Bald Knob Ridge'</i>	This Hebe varies greatly but it is typically a small low shrub with sprawling branches which root. The leaves grows almost on top of one another as opposed to other mountain Hebes making it very unique.	1 Litre Tube	5.00	45.00		
<i>Hebe buchananii</i>	A hardy Hebe that grows to about 30cm in height and has small, near round dark green leaves. Its flowers are white from spring to autumn.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe buxifolia</i>	Compact smaller hebe. White flowers.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe colensoi</i>	A low growing and spreading Hebe with blue leaves about 3cm long and 1 cm wide. Flowers from late winter into late spring.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		

Natives

<i>Hebe cupressioides</i>	This whipcord Hebe grows compactly to about 1m. It will also produce small pale blue flowers.	PB5	8.00	70.00		
<i>Hebe decumbens</i>	A very attractive Hebe with small green leaves with red edges accompanied by a very dark stem. It has white flowers in spring to summer and grows to about 45cm x 90cm.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe diosmifolia</i>	This Hebe grows to about 50cm and has narrow glossy dark green leaves. When it flowers in early spring the plant is smothered with white and lavender flowers.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Hebe Edinensis</i>	A low growing shrub that could grow to about 30cm high. Resembles Hebe 'Emerald Green' however the branches have a slight whipcord appearance	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Hebe elliptica</i>	At 1-2m this Hebe forms quite a large bush with small dark green leaves. The flowers are slightly larger than the normal Hebe flowers and are produced in white and lavender colours from late spring to autumn.	PB5	8.00	70.00		
<i>Hebe evenosa</i>	This Hebe grows to about 1m tall and has fleshy green leaves with white flowers in summer.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Hebe hectori</i>	This has crowded scale-like whipcord branches that are yellowy-green in colour and white flowers from the branch tips in summer. This makes a very unique addition to the garden or landscape.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
<i>Hebe Icing Sugar</i>	Growing 75cm tall x 1m wide with attractive pink flowers that fade to white this Hebe is a great addition to any garden.	1 Litre Tube	5.00	45.00	400.00	
<i>Hebe Lavender Lace</i>	This Hebe grows to about 1-1.5m in height with narrow green leaves and lavender flowers which fade to white in early summer to early winter.	1 Litre Tube	5.00	45.00		
		PB5	8.00	70.00		
<i>Hebe lindsayii</i>	Due to it's dark branches and bright green leaves this Hebe has a good striking contrast. Pink/White flowers are present in summer. 1m	PB5	8.00	70.00		
<i>Hebe parviflora</i>	Taller shrub suitable for clipping - light green in colour. Tolerant of coastal conditions.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
		PB8	12.00	110.00		
<i>Hebe pinguifolia</i>	A very hardy Hebe that grows to about 25 x 75cm. The small thick leaves are glaucous with red edges and the flowers are white.	1 Litre Tube	5.00	45.00		
<i>Hebe quicksilver</i>	A low growing shrub with bluish grey leaves, dark stem and violet flowers in summer.	PB5	8.00	70.00		
<i>Hebe salicifolia</i>	Koromiko - Hardy medium shrub. Useful background in many sites.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00	600.00	

Natives

Hebe Snowdrift	A neat 1m shrub with light green leaves, masses of white flowers in early summer and in winter and spring.	1 Litre Tube	5.00	45.00		
Hebe speciosa Dark Pink	Napuka - Well-known Veronica. Spikes of flowers throughout summer. Clip after flowering.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Hebe topiaria	Small compact to 1m. Rounded. Light green colour and keeps its form.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Hebe waireka	This Hebe grows to under 1m and has very appealing yellow-green foliage. Flowers are deep purple in summer.	1 Litre Tube	5.00	45.00	400.00	
Hebe Wiri Dawn	A low spreading plant at about 45cm x 1m that has pale olive green foliage. Its flowers are pale pink in summer, autumn and winter.	1 Litre Tube	5.00	45.00	400.00	
Hebe Wiri Mist	Another round Hebe reaching 50cmx80cm with fresh green spear shaded leaves and white flowers in summer.	1 Litre Tube	5.00	45.00	400.00	
Hebe Wiri Prince	This Hebe has dark green leaves and long purple flowers in winter and summer. It grows to about 1.5m tall.	PB5	8.00	70.00		
Hebe Wiri Spears	Another Hebe that grows to 1.5m tall and has large leaves with long deep mauve flowers.	PB5	5.00	45.00		
		PB5	8.00	70.00		
Hoheria lyallii	This tree has attractive pointed oval serrated leaves that are bright green. In summer it has large white flowers and grows to about 2-3m	1 Litre Tube	5.00	45.00		
		PB5	8.00	70.00		
Hoheria populnea	Lacebark - Large shrub or small tree. Vigorous early growth. Attractive white flowers in late summer.	PB3	7.00	60.00		
		PB5	8.00	70.00		
		PB8	12.00	110.00		
Hoheria sexstylosa	This tree grows to about 4-6m and has long narrow serrated leaves. Its branches weep to give it a graceful appearance.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Kunzea ericoides	Kanuka - Ideal revegetation plant. Shrub to small tree of good form.	SS V150 1yr	3.90	28.00		
		1 Litre Tube	5.00	45.00	400.00	3700.00
		PB5	8.00	70.00	600.00	
		PB18	24.00	190.00		
Leptospermum scoparium	Manuka grows to about 3-4m in height and has small narrow dark green leaves that are sharply pointed. It produces white flowers for many months from spring.	1 Litre Tube	5.00	45.00		
Libertia grandiflora	This plant is flax-like in appearance and has slightly drooping green leaves. It grows to about 50cm+ in height and has white flowers in spring.	1 Litre Tube	5.00	45.00	400.00	
Libertia ixioides	This plant has sword like foliage that is green with a light rib. It grows to about 50cm+ in height and has white flowers in spring.	1 Litre Tube	5.00	45.00	400.00	3700.00
		PB3	7.00	60.00	500.00	

Natives

Lophomyrtus Kathryn	This cultivar has deep purplish red colouring and the leaves are oval, puckered and glossy. It can grow to about 2m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Lophomyrtus Multi Colour	This cultivar has various colours cream, red and green foliage. Grows to about 1.5m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Lophomyrtus Red Dragon	This cultivar has small pointed leaves that are a reddish pink but get darker and become intense during winter. Grows to about 1.5m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Lophomyrtus traversii 'Variegata'	Erect growing bush with red stems, green leaves with a yellow centre and a touch of pink. Grows to 2 x 1m	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
Lophomyrtus x ralphii 'Pixie'	Great miniature specimen with bronzy green leaves and dark purple new growth and veins. Grows to about 30cm and keeps a nice dense shape	PB5	8.00	70.00		
Metrosideros umbellata	Southern Rata - Medium sized tree with profuse rad flowers. Cutting grown, so will flower early.	1 Litre Tube	4.80	42.00		
		PB5	7.50	66.00		
Myrsine australis	This 3m tree has narrow green wavy edged leaves that are speckled with red. The young branches and margins are also red.	1 Litre Tube	5.00	45.00	400.00	
Myrsine divaricatus	Also known as 'Weeping Matipo' this 3m shrub has many stiff interlacing branches in which small round leaves are borne.	1L	5.00	45.00	400.00	
Nothofagus fusca	Red Beech - Large forest tree but juvenile foliage is attractive and can be maintained by regular clipping.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00	500.00	
		2L	7.00	60.00	500.00	
		PB8	12.00	110.00		
		30L	75.00	70.00		
Nothofagus menziesii	Silver Beech - Large forest tree with timber potential in suitable areas. Slow growing in drier areas.	1 Litre Tube	5.00	45.00		
		PB8	12.00	110.00		
Nothofagus solandri var. cliffortioides	Mountain Beech - NZ native Mountain Beech. Small tree suited to a wide climate range, especially higher altitudes	1 Litre Tube	5.00	45.00		
		PB3	7.00	60.00		
		PB5	12.00	110.00	1000.00	
Olearia avicenniifolia	Scented AkeAke - Large shrub with pointed leaves and fragrant flower heads. Hardy	PB18	24.00	190.00		
Olearia dartonii	Twiggy Daisy Tree - Erect small tree with narrow leaves. Fast growing and hardy.	1 Litre Tube	5.00	45.00	400.00	
Olearia ilifolia	Mountain Holly grows to about 2m tall and has white daisy like flowers in spring. The leaves are long, light green and look similar to holly.	1 Litre Tube	5.00	45.00	400.00	
Olearia paniculata	Akiroho - Large shrub most often used for hedging but a fine tree in its own right.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00	600.00	
Olearia traversii	Chatham Island AkeAke - Erect small tree to 8m. Useful for coastal shelter. Hardy.	1 Litre Tube	5.00	45.00	400.00	

Natives

<i>Phormium cookianum</i>	Mountain Flax - Smaller growing flax with drooping leaves and thinner flower stalks	1 Litre Tube	5.00	45.00		
<i>Phormium tenax</i>	NZ Flax - Very hardy and a good low shelter plant. Flowers provide nectar for native birds	1 Litre Tube	5.00	45.00	400.00	
<i>Phormium tenax purpureum</i>	Red Flax - Smaller red coloured flax.	1 Litre Tube	5.00	45.00	400.00	
<i>Phormium 'Cream Delight'</i>	This flax cultivar has a bold cream centre with dark green edges. Very striking option for any landscape. 1 x 1m	1 Litre Tube	8.00	75.00	700.00	
<i>Phormium 'Surfer'</i>	A unique flax with twisty lush green foliage with a bronzer centre. 70x70cm	1 Litre Tube	8.00	75.00		
<i>Pittosporum crassifolium</i>	Karo - Small rounded tree with leathery leaves. Small inconspicuous flowers but fragrant. Good coastal shelter.	PB5	8.00	70.00		
<i>Pittosporum eugenioides</i>	Lemonwood - Small tree with longish leaves when crushed smell of lemon. Good screening tree.	1 Litre Tube	5.00	45.00	400.00	
		PB18	24.00	190.00		
<i>Pittosporum tenuifolium</i>	Kohuhu - Small, hardy tree with variable foliage colour. Useful as garden plant or farm shelter.	SS V150 1yr	3.90	28.00	230.00	1900.00
		1 Litre Tube	5.00	45.00	400.00	3700.00
		PB3	7.00	60.00

		PB8	12.00	110.00	1000.00	
		PB18	28.00	240.00		
<i>Pittosporum tenuifolium variegatum</i>	Creamy variegated edges on a greyish green leaf.	PB5	8.00	70.00		
<i>Pittosporum colensoi</i>	A large shrub with dark green leaves that have a white rib. Grows to about 2.5m and it very hardy	SS V150 1yr	3.90	28.00	230.00	
		PB3	7.00	60.00		
		PB5	8.00	70.00		
<i>Pittosporum Gold Star</i>	Gold and green leaves with a creamy coloured midrib and grows to about 1.5m	PB5	8.00	70.00		
<i>Pittosporum Mt. Green</i>	This tree has compact growth with small green leaves and grows to about 2.5-4m	PB5	8.00	70.00		
<i>Pittosporum Stephen's Island</i>	A good grower that has dark green leaves with white variegations. 2m x 2m	PB5	8.00	70.00		
<i>Pittosporum Tandarra Gold</i>	This 3-4m specimen has small golden variegated leaf and dark stems. Forms quite a compact shrub.	PB5	8.00	70.00		
<i>Pittosporum Wrinkle Blue</i>	Another hedging shrub that grows upwards of 4m and has wavy silver leaves.	PB5	8.00	70.00		
<i>Pittosporum Yellow Wave</i>	With its dense bright yellow foliage (when mature it has a marbled green effect) this shrub grows to about 3m and makes a good attractive hedge or shelter plant.	PB5	8.00	70.00		
<i>Plagianthus divaricatus</i>	This native shrub stands about 1.2 to 1.8m tall. Its stems are quite reddish and are tough and slender	1 Litre Tube	5.00	45.00	400.00	
<i>Plagianthus regius</i>	Ribbonwood - Manatu - Semi deciduous small tree. Attractive in juvenile form for landscaping.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00	600.00	
		PB18	24.00			

Natives

<i>Podocarpus hallii</i>	Hall's Totara - Large growing indigenous tree. Attractive form though slow growing.	1 Litre Tube	5.00	45.00	400.00	
<i>Podocarpus totara</i>	Totara - Large forest tree - important historically for various timber uses.	1 Litre Tube	5.00	45.00	400.00	
		PB5	8.00	70.00		
		PB8	12.00			
<i>Prumnopitys ferruginous</i>	Miro - Fine, tall, round headed tree. Slow growing and prefers shaded position.	PB5	8.00	70.00		
<i>Prumnopitys taxifolia</i>	Also known as Matai or Black Pine this tree grows to about 25m and is known for its durable timber qualities. The timber colour can vary in light and dark brown tones.	1 Litre Tube	5.00	45.00		
<i>Pseudopanax arboreus</i>	Five Finger - Small tree with glossy large leaves. Rounded shape. Interesting tree for mixed plantings.	1 Litre Tube	5.00	45.00	400.00	
<i>Pseudopanax crassifolius</i>	Lancewood - Distinctive small tree. Juvenile form differs from adult but both are striking.	1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00		
		PB5	8.00	70.00		
<i>Pseudopanax ferox</i>	Toothed Lancewood. A popular landscaping plant known for its unique toothed foliage. In its juvenile form the leaves come off 1 stem and point downwards. Adult trees lose these juvenile leaves to be left with a bare trunk and rounded tree top. 3-6m	1 Litre Tube	5.00	45.00		
		PB3	7.00	60.00		
<i>Pseudowintera colorata</i>	Horopito - Shrub or small tree with mottled red foliage.	1L	5.00	45.00	400.00	3700.00
		PB3	7.00	60.00		
<i>Sophora microphylla</i>	South Island Kowhai - Hardy small tree - remains a low bush for many years before setting a stem to become a tree with its well known flowers.	V150 1yr	3.90	28.00	230.00	
		1 Litre Tube	5.00	45.00	400.00	
		PB3	7.00	60.00	500.00
